

« E-panels » Project

Partners from *Basse-Normandie* in France (Lower Normandy)

« La Maison de l'Europe de Caen Basse-Normandie » is the partner in direct relation with the project and has organised meetings with local associations in order to find activators and to develop the project in its area.

The two activators are representatives from « le Comité de Jumelage de Démouville » and « Maison des Jeunes et de la Culture du Chemin Vert ».

La Maison de l'Europe de Caen Basse-Normandie

Representative : Ms Malika DIF

« Maison de l'Europe de Caen Basse-Normandie » is an association dedicated to promoting the construction of Europe. It encourages initiatives likely to bring about mutual enrichment through the peculiarities of the EU countries, and aimed at supporting citizenship education in a spirit of public services. It has set itself a mission to make Europe more comprehensible and closer to lower Normandy citizens.

It is affiliated to the « Fédération Française des Maisons de l'Europe » and places local authorities, educational establishments, associations and private persons among its members. It enables both people and institutions to commit themselves to a supportive action in favour of the European idea within an organisation in which all political leanings are welcome.

It works in partnership with local and international parties. Since three years Europe House has been coordinating action with Coalition SEGA concerning youth, education and citizenship, in the framework of the cooperation programme between Lower Normandy and Macedonia.
