

## Castilla-La Mancha

## FUNDACIÓN INSULA BARATARIA

Non for profit organisation integrated by Regional Government, University and Bank of Castilla-La Mancha, to promote the Knowledge Society

## Objectives:

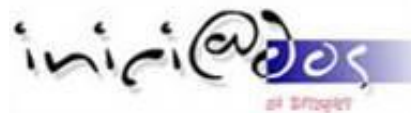

- To promote the Information Society in CLM
- To promote and participate in research, development and innovation projects.
- Dissemination of knowledge.
- Integration into the European networks.
- To contribute to the development of eCommerce and eAdministration
- Support to SME of Castilla-La Mancha in new technologies and innovation projects

## How can ICT promote citizen's participation

- European perspective
  - i2010 - A European Information Society for growth and employment
  - And Post i2010: open consultation in 2009.
    - Using ICT to improve the quality of life of EU citizens

## Regional experiences

- Training ICT projects

- Citizens participation
  - **SENDA**: a social network to share the natural and cultural resources of Castilla-La Mancha, where citizen can create content and include in the site.
  - [www.sendaclm.es](http://www.sendaclm.es)

- **Older with initiatives**: project coordinate by FUNDETEC: Technological Development for Businesses and Society Foundation. FIB is one of the participants.
  - Objectives: to identify the ICT needs and specific interest of older people. To promote the capacity of older people to carry out initiatives based on ICT and to develop a social network as an open space to share knowledge, experiences.
  - [www.mayoresconiniciativa.es/mayores%5Fcon%5Finiciativa](http://www.mayoresconiniciativa.es/mayores%5Fcon%5Finiciativa)

- **Web for associations:** Regional government provide a web site free of charge for the associations establish in Castilla-La Mancha. The purpose is to promote de involment of civil society into the NICT.
